If, as a result of the discussion, the matter is not resolved to the satisfaction of the aggrieved, then s/he shall, within seven (7) calendar days of such discussion, set forth his/her grievance in writing to his/her immediate superior, specifying:

2. DENTAL PLAN

Effective January 1, 1981, the Board of Education shall pay the premium for 100% of the employee plus one dependent (two-party plan) cost for a dental program in accordance with the provisions of the district policy. The employee may elect to have these coverages extended to his/her other family members (three-party plan) at no expense to the Board of Education with authorized payroll deductions to cover the premium.

NOTE: Dependents are defined to be the employee's spouse and unmarried dependent children. Dependent children are eligible for coverage from birth until age 19 or, if the covered child is enrolled full-time at an accredited school, college or university, coverage may be extended to the child's 23rd birthday unless otherwise indicated under Benefits and Program Specifications. The notice of vacancy shall set forth the title of the position, its major duties, and the salary range. In addition, notices of administrative/supervisory positions will include the date of candidate screening and final interview. It is understood that the Board will not change the qualifications for any position unless said position is readvertised.

A 10½-month administrator/supervisor promoted within the district to a higher rated 10½-month position and given the usual increment and adjustment for the past year's experience will be placed on the first step of the new salary guide that provides an increase in salary.

A 12-month administrator/supervisor promoted within the district to a higher rated 12-month position and given the usual increment and adjustment for the past year's experience will be placed on the first step of the new salary guide that provides an increase in salary.

A 10½-month administrator/supervisor promoted within the district to a higher rated 12-month position and given the usual increment and adjustment for the past year's experience will be first adjusted to a salary guide step that results in a 6% increase for the additional time and then placed on the first step on the new 12-month salary guide that reflects an increase in the adjusted salary.

A 10½-month administrator/supervisor who is extended to 12 months in the same rated position will receive a 6% increase for the additional time.

However, any administrator/supervisor promoted to a position after midyear, whose first anniversary date is after January 1, 1981, will be granted the prorated portion of the increment as a part of his or her salary one (1) year after said appointment. This prorated amount will be adjusted each year on the anniversary of the appointment until the administrator/supervisor reaches maximum.

## ARTICLE VIII

BASE SALARY INFORMATION

The base salary for the administrators/supervisors' salary guide for the 1980-81 school year is the average of the median and mean of Group IV High School Principal from the 1978-79 school year as reported in the NJEA Research Bulletin for Salaries of Administrators and Supervisors - \$32,583. The base salary for 1979-80 is \$35,629 which will be used as basis for salary guide in 1981-82. The base salary for 1982-83 will be determined when the data is reported in the NJEA Research Bulletin for Salaries of Administrators and Supervisors school year 1980-81. All administrators/supervisors shall be placed on the appropriate step of the guide.

It is established that during this three-year agreement, the concept used to determine the base amount for the 1980-81, 1981-82 and 1982-83 salary schedules will be followed. However, there will be no determination on a salary schedule for the third year (1982-83). This item will be reopened for discussion at a time when the base concept figures become available with full knowledge that the present percentage range of +1 +18% is open for discussion. It is further understood that fringe benefits may also be discussed at this time.

It is agreed that the base (100%) level for the salary proposal be calculated by averaging the mean and median salary of the Group IV High School Principal as published by the New Jersey Education Association in the School Administrators and Supervisors' Salaries Bulletin keeping a two-year differential.

(Example: The 1978-79 base figure is used to determine the 1980-81 salary guide base. The 1979-80 base figure is used to determine the 1981-82 salary guide base.) The base salary, rounded off to the nearest \$100 is used to determine the salary range of the high school principal. The high school principal's salary base is computed on a yearly basis. All other salary ranges for administrative positions are calculated as a percentage of that base.
